
RAINBOW SPIRIT FESTIVAL
GATHERING LIGHT
6-9 MARCH 2026
TALLAROOK
SURVIVAL GUIDE

You're here. We've made it. Rainbow is back.

After a long journey, we're together again - dancing, camping, laughing, resting, reconnecting, and feeling that familiar spark return. Rainbow Spirit: Gathering Light is here - shaped by what we've learned along the way. We're genuinely grateful this gathering is finally underway, and you're a part of it.

This event is intentionally intimate. It's another step on our path to rebuilding a stronger and more resilient Rainbow for the future. Smaller by design, it works because we all take responsibility for how we show up. A little care, a lot of kindness and looking out for one another goes a long way towrds keeping this weekend safe, fun and full of the amazing energy Rainbow is renowned for. .

This is a time to explore, play, dance wildly or quietly, connect and make new friends, maybe even get a little dusty along the way and simply be yourself.

We hope your days are filled with curiosity and colour, your nights with movement, reflection and release. We hope you find moments of shared joy, unexpected connection and space to move, rest and celebrate - all sprinkled with a little bit of chaos (of the positive kind).

This Survival Guide has the essentials to help you get here, find your way around and keep yourself and others safe throughout the weekend. Give it a read, share it with your crew and get ready to enjoy the ride.

Happy Rainbow.

Acknowledgement of Country

Rainbow Spirit Festival acknowledges the Traditional Custodians of the land on which we gather, the Taungurung People, and pays respect to their Elders past, present and emerging.

We also acknowledge the Dja Dja Wurrung and Wadawurrung Peoples, whose Country has long held our festival home. We are grateful for the care, knowledge and ongoing connection to land that make gatherings like this possible.

We recognise that sovereignty was never ceded, and we commit to listening, learning and walking with respect on Country.

TICKET INFO AND VEHICLE PASSES

TICKETS ARE SOLD OUT!
No Ticket Sales On The Gate.

ID must be shown on the gate. Your name must appear on your e-ticket.

All patrons must present valid photo identification on entry. The name on your ID must exactly match the name on your ticket. Photocopies, screenshots or photos of identification will not be accepted.

Ticket name changes can be made through your ticketing account or visit the Humanitix resale page: https://events.humanitix.com/gathering-light/au/resale

Name changes on the gate are only permitted with proof of ticket ownership and a fee applies. We strongly encourage patrons to update ticket details before arrival to avoid issues at entry.

Humanitix is the only official resale platform. We will not accept tickets sold through third-party platforms, including Tixel.

Tickets purchased outside the official Humanitix system will not be valid and entry to the festival will be denied.

Have you purchased your vehicle pass yet?

Every car that enters the festival will require a vehicle pass. Don't pay extra on the gate. Please pre-purchase your pass online now!

DIRECTIONS AND ENTRY

GATES OPEN FROM MIDDAY FRIDAY

There is no access to the site until this time, so please do not turn up earlier.

Festival Gates are strictly open for entry only during the following times:

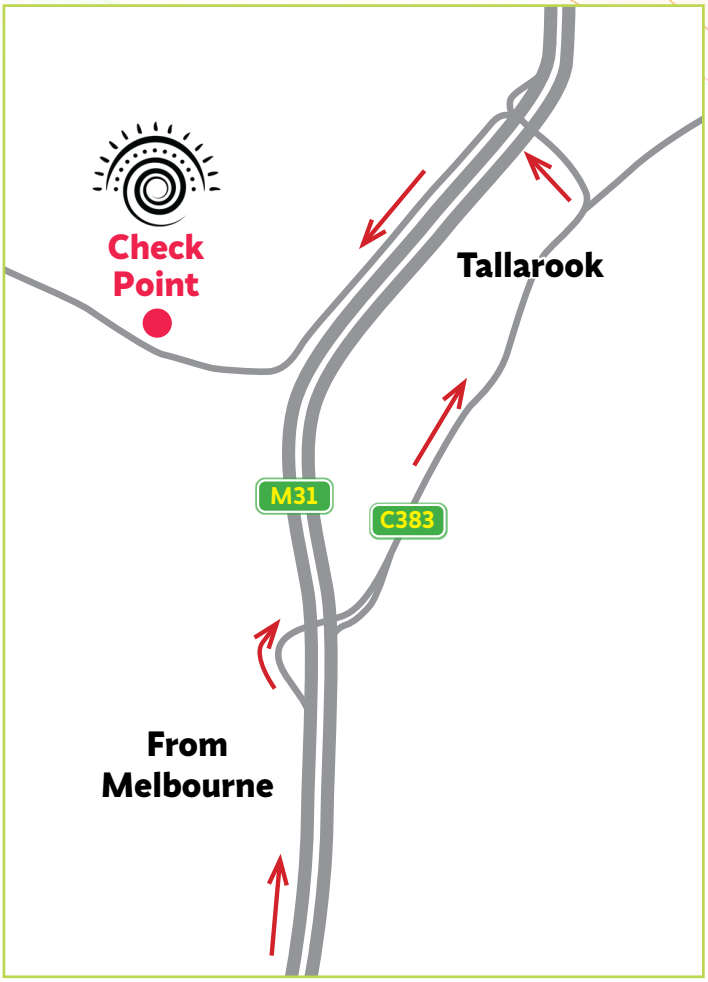

Friday, 9 March - 12pm - 9pm
Saturday, 10 March - 10am - 9pm
Sunday, 11 March - 10am - 1pm
Monday, 12 March - Closed for entry

Entry outside of these hours will be strictly prohibited. No patron vehicles are permitted to enter the event or drive around the site before or after these times.

Please plan your arrival accordingly and follow all staff and traffic management directions.

Pass outs and re-entry are not permitted for this event due to venue conditions and permit restrictions. Once you have entered the site, you will not be able to leave and return. Please plan your travel, supplies and arrival times accordingly.

Directions from Melbourne

- **Take the Hume Freeway (M31) north towards Shepparton**
- **Take the Tallarook exit (C383)**
- **Follow the signs towards Tallarook / Pyalong**
- **Turn left onto Tallarook-Pyalong Road and follow event signage to the Eagle Ridge Event Park**

Allow extra travel time during peak arrival periods and follow all traffic management and signage on approach.

All vehicles entering the site must have a valid car pass.

VEHICLE PASSES AND SHUTTLE BUS SERVICE

Vehicle Passes

Every car entering the festival site must have a vehicle pass. **The advance purchase price is $35 and the pass must be bought separately from your ticket.**

The vehicle pass helps reduce entry delays and supports key initiatives including free shuttle services and improved road safety measures.

Vehicle passes will be available at the gate for $150. To avoid delays and additional cost we strongly recommend purchasing your pass before arrival. Every vehicle entering the site must hold a valid pass.

Further information about the vehicle pass and how the funds are used is available at rainbowspirit.net.

Caravans, RVs, large campervans, large camper trailers and oversized vehicles must be pre-registered and approved.

See p12 for more details and register your vehicle here:
https://rainbowspirit.net/large-vehicle-registration/

Shuttle Bus Service

Shuttle buses are available and tickets are now on sale. Choosing shared transport helps reduce congestion and supports a safer arrival and departure for everyone. If you plan to drink or celebrate, do not drive while impaired.

Southern Cross to Tallarook return

Departure - Friday 6 March, 11:00am from Southern Cross

Return - Monday 9 March, 11:00am from Tallarook

Shuttle tickets include premium centrally located car free camping on arrival.

https://events.humanitix.com/gathering-light/tickets

Trespassing

Entry to the gathering is limited by permit and strictly controlled.
Access to the site is only allowed with a valid ticket and wristband.

Anyone found on site without a valid wristband is trespassing and may face penalties of up to $3,000 or six months imprisonment. The use or possession of a forged wristband is considered a serious offence and may result in additional charges including document falsification and obtaining financial advantage by deception.

There are legitimate ways to attend the gathering without a full ticket cost including volunteer roles and discounted ticket options. These pathways exist to ensure fair access and we encourage people to use them.

Security teams and Victoria Police will be actively monitoring for unauthorised entry. Patrons who assist others in bypassing entry requirements will also be removed from the site. Vehicles left unattended on roads surrounding the festival area may be towed in coordination with VicRoads.

CAMPING AND ACCOMODATION

Space is limited.

Saving space will not be possible and vehicles will be directed into campgrounds on arrival.

We advise travelling in a convoy if you plan to make camp with a larger group.

Camping is a shared space, and how we use it matters.

Please note:

- Camping spaces cannot be saved or reserved: If you're planning to camp with friends, we strongly recommend arriving together, or meeting in Tallarook and convoy in.
- Geodomes and oversized structures are not permitted. Standard camping shade structures such as small gazebos and personal shade are welcome. Large freestanding structures, multi-pole domes, and geodomes will not be permitted.
- Arrive prepared, stay flexible, and set up efficiently so the site remains safe, accessible and comfortable for everyone.

For safety reasons, and as a condition of the event permit, no vehicle movement is allowed in campground areas after 9:00pm. This helps protect campsites, pedestrians, children and low-visibility areas at night.

Children, Families & Accessibility

Rainbow has always been a place for all ages and abilities - welcoming families, children and those with accessibility needs.

Family & Accessible Camping

For Gathering Light, we're offering a dedicated Family & Accessible Camping area. This zone is intentionally quieter and located close to key amenities and support services.

Families camping with children, along with patrons requiring accessible camping must register for the Family & Accessible Camping area. This allows us to allocate space appropriately and ensure individual needs are supported.

All patrons using the family & accessible camping must check in at the Box Office on arrival.

The Family & Accesible Camping area is a designated "Quieter" zone.

We ask everyone to be mindful of noise, space and movement so the area remains comfortable for families and those with access needs.

Caravans & oversized vehicles

Caravans, RVs, large campervans, large camper trailers and oversized vehicles must be pre-registered and approved. Unregistered vehicles may be refused entry.

There will be a specific entry lane for registered oversize vehicles. Please use the express lane on arrival so our team can guide you into the most suitable available space.

What counts as an oversized vehicle:

For camping and vehicle placement an oversized vehicle includes but is not limited to:

- Caravans and camper trailers over 14ft/4.2m.
- Motorhomes, RVs and Campervans over 22ft/7m.
- Vehicles towing trailers larger than a standard box trailer
- Trucks, buses, or large commercial vehicles.
- Any vehicle requiring more space than a standard camping set up.

If your vehicle:

- requires extra space to manoeuvre
- cannot safely park on uneven or sloped ground
- limits access for emergency or service vehicles

It will be considered oversized and must be registered and approved.

Register your vehicle here:
https://rainbowspirit.net/large-vehicle-registration/

SLEEPY HOLLOW GLAMPERS AND CABINS

Sleepy Hollow Glamping & Cabins offer a more structured and supported stay with dedicated facilities and clearly designated areas. This accommodation is pre-arranged and separate from general camping to ensure smooth access and support throughout the weekend.

Important Info for Sleepy Hollow Glampers and Cabins:

- All glamping and cabin guests **must check in at the Box Office** on arrival.
- You will receive your **Glamping or Accommodation pass** at check-in.
- You will then be directed to your assigned area.
- Access to the communal glamping area is included.
- The **Info Tent** will be available onsite to assist with any questions or issues during the event.

WHAT TO BRING AND WHAT TO LEAVE AT HOME

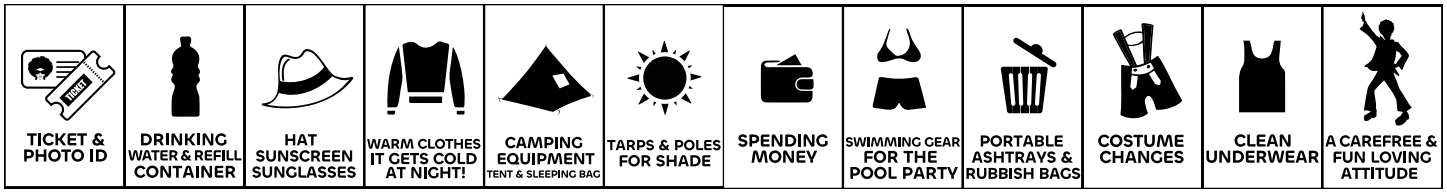

ESSENTIAL items:

- Valid photo identification
- Your ticket QR code saved offline
- Camping equipment and warm clothing
- A refillable water bottle
- Sun protection and durable footwear
- A torch or headlamp
- Any required personal medication

Please DO NOT bring:

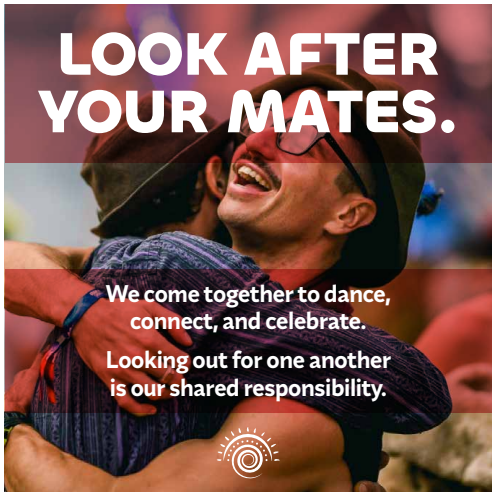

- Glass containers
- Gas cookers, fire pits, fireworks or flares
- Generators and private sound systems
- Drones
- Weapons or other dangerous items
- Geodomes and oversized structures
- Pets excluding registered assistance animals
- Illegal substances

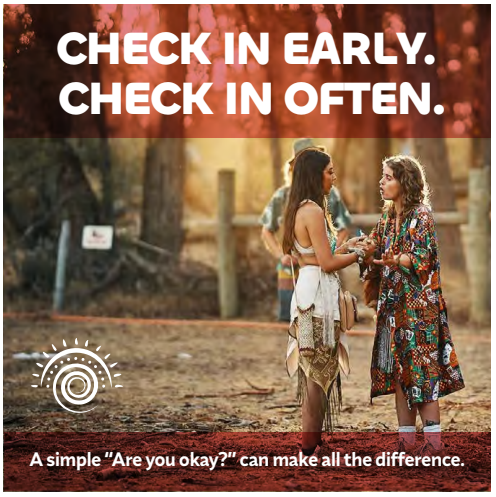

What to bring:

Security checks will be in place on entry!

OUR COMMUNITY

Rainbow Spirit is more than just a music, arts and lifestyle festival. It's a community of people with shared values seeking connection, creativity, celebration and growth. An opportunity to find each other, find ourselves and find meaning.

Our values guide how Rainbow Spirit is created and experienced - from how we design the site and program the festival, to how we care for one another on and off the dancefloor. They reflect the culture we've built together over decades and the shared responsibility that makes this gathering possible.

Behaviour that makes others feel unsafe, unwelcome or disrespected has no place here. We ask all participants to take responsibility for themselves and for the energy they bring, helping to create a festival that feels open, inclusive and safe for everyone.

OUR VALUES

Create

A space for expression, curiosity and exploration - through music, art, ideas and shared experience.

Connect

Coming together from many backgrounds and perspectives, grounded in listening, respect and looking out for one another.

Grow

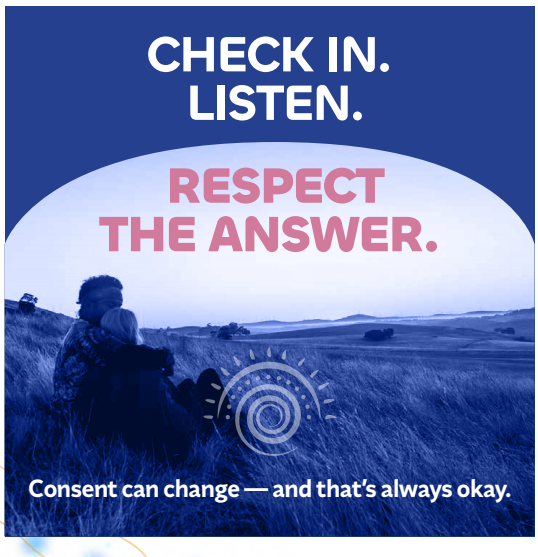

Taking responsibility for our actions, our impact and the land we gather on - leaving ourselves, this place, and community stronger than we found it.

Consent is clear, voluntary and ongoing.
If it's not a clear yes, it's a no.

10 PILLARS OF FESTIVAL SAFETY

Weather conditions, camping environments, large crowds and continuous sound can place strain on the body and mind. Being prepared and aware helps reduce the risk of health issues and supports a safer, more enjoyable experience.

To help you look after yourself and others please follow our 10 Pillars of Festival Safety:

1 PREPARE YOURSELF

Conditions can change quickly – from hot sun and dust to cold nights, rain, and mud. Pack for all weather: warm layers, sunscreen, hats, breathable clothing, sturdy footwear, insect repellent, a reliable tent, and appropriate bedding.

If you have a health condition, bring all prescription medications (plus extra), essential items such as insulin, inhalers, EpiPens, or contraception, and consider wearing a medical ID. Bring your own basic First Aid Kit – many medical presentations are for minor issues that can be easily self-managed.

Medics are on site and we will be offering additional support services, including safe spaces, education, and care.

If you choose to use alcohol or other drugs, do so consciously. Understand the effects, risks, and interactions with medications, weather, sleep, and your health. Stay rested, fed, and hydrated. Using alcohol or other drugs is never without risk.

Drugs may not be what they are sold as or contain contaminants. You can now get your drugs checked pre event at the Victorian Pill Testing Service in Fitzroy: www.vicpilltesting.org.au

2 BE RESPONSIBLE AND SAFE

You are responsible for your body. Be kind to yourself, know your limits, and avoid pushing yourself or your mates further than is safe or fun.

This might come across a bit heavy but it has to be said:

USING ALCOHOL OR OTHER DRUGS IS NEVER WITHOUT RISK.

Keep in mind:

- Less = more
- The highest dose does not mean more fun and can result in serious health complications
- If choosing to take GHB measure your doses precisely, tell a friend what your plans are

Avoid mixing substances.

- Be particularly mindful with prescription medications such as anti-depressants and MDMA
- Mixing GHB with other depressants is another high risk combination (such as alcohol or benzodiazepines).

DanceWize will be operating between the hours of 4pm-10pm on Saturday and Sunday if you need support or want to learn more.

3 DRINK ENOUGH BUT NOT TOO MUCH

Hydration is essential, but both dehydration and water intoxication are dangerous.

Follow these guidelines:

- Up to 250ml per hour when resting
- Up to 500ml per hour when active/dancing or in hot weather

Alternate water with electrolyte drinks, coconut water, or juices. Alcohol does not count as hydration.

4 EAT SOMETHING EVERY FEW HOURS

Eating is just as important as drinking. Food provides electrolytes and nutrients needed to maintain balance and prevent water intoxication.

Eat something every few hours, even if you don't feel hungry. If solid food is difficult, try soup or nutrient-rich drinks. If you feel unwell, seek help early.

5 COOL DOWN AND CHILL OUT

Take regular breaks from dancing to avoid overheating. Some substances reduce your awareness of body temperature.

Use shade, rest often, avoid synthetic fabrics, apply cooling to pulse points, and sprinkle yourself with water. Avoid sun exposure if using GHB or MDMA. Cooling down is essential, even when you don't feel like stopping.

10 PILLARS OF FESTIVAL SAFETY

6 APPLY SELF CARE

Multi-day festivals disrupt normal routines. Prioritise sleep, nutrition, hygiene, and rest.

Fatigue and sleep deprivation can lead to physical and mental health crises. Even short periods of rest each day make a difference. Eat regularly, sleep when you can, and look after yourself to maintain a positive mindset.

7 THE MEDICAL TEAM IS YOUR FRIEND

If you need help – **ask.**

Medical staff, festival crew, and support services are here to help without judgement or trouble.

Never leave someone unwell alone. Don't try to "sleep it off." If someone is unconscious or unresponsive, call medical immediately and use the recovery position.

8 PRACTICE AND PROMOTE SAFE SEX AND CONSENT

Consent must be:

- **Active** – only "yes" means yes
- **Based on equal power** – intoxicated or vulnerable people cannot consent
- **A choice** – free from pressure
- **Ongoing** – consent can change at any time

Practice safe sex. Look out for each other. If something feels off, check in and trust your instincts.

9 LOVE YOUR EARS

Protect your hearing so you can keep enjoying music for years to come. Use earplugs – available for free at DanceWize and the Info Tent (while stocks last).

10 DO NOT DRIVE IMPAIRED!

Never drive under the influence of alcohol or other drugs, or while fatigued. Ensure you are sober, rested, hydrated, and have no traces of drugs in your system..

Victoria Police conduct roadside testing. On site testing services may also be available – ask at the Info Tent for details.

COMING TO RAINBOW SPIRIT?
TEST BEFORE YOU GO.

The Victorian Pill Testing Service is open Thursdays, Fridays and Saturdays so you can check your drugs.

95 Brunswick Street, Fitzroy

Free, legal and confidential.

Find out more: **vicpilltesting.org.au**

FESTIVAL CONDITIONS

This gathering takes place with the permission and ongoing support of the landholders, local community, and emergency services. Access to the site is granted under specific conditions that must be respected by everyone attending.

These requirements exist to protect the land, maintain trust, and support the future of the gathering.
The rules are limited, but they are NON NEGOTIABLE.

Rules and restrictions aren't anyone's favourite part of the weekend. We appreciate your understanding, flexibility and willingness to work with us so we can hold this gathering safely and responsibly.

Essential Rules

No Glass or Excessive Alcohol

Glass presents a serious hazard for people during the gathering and for the farmer and animals who live on the land year round. For this reason glass is NOT PERMITTED on site.

No Parking on Internal Roads

A minimum clearance of six metres must be maintained on all roads at all times to allow emergency access throughout the campgrounds. Vehicles that obstruct access may be towed at the owner's expense.

No Fires, BBQs or Fireworks

The risk of fire on site is serious and can have catastrophic consequences.

No Quad or Mini Bikes

These potentially dangerous vehicles will not be allowed at this event.

No Anti-Social Behaviour

Everyone is here for enjoyment and to escape nonsense.

No Generators or Sound Systems

Campgrounds are intended for rest and downtime. The use of generators or amplified sound that disrupts others is not appropriate.

No Pets

Assistance animals are the only exception for patrons who are blind or otherwise rely on them.

You Must Wear Your Wristband at All Times

A valid wristband is the only way to confirm authorised entry to the site. Anyone found on the grounds without a wristband may be removed and face trespass charges or be required to pay an admission penalty. WRISTBANDS MUST BE WORN AT ALL TIMES.

No Illicit Substances

No drug use is without risk. Possession or supply of illegal substances can carry serious and lasting consequences.

Police will be operating in the surrounding area throughout the event. ILLEGAL SUBSTANCES ARE NOT PERMITTED.

No Impaired Driving

Fatigue, drugs and alcohol are significant causes of accidents on our roads. So don't drive to Rainbow, from Rainbow or ANYWHERE impaired. You're putting people's lives at risk as well as jeopardising the future of the festival.

Fire Danger & Evacuation

Fire risk is an ever present reality in this part of Victoria, particularly during summer. Conditions can shift quickly and the consequences can be severe. As organisers we are especially aware of how important this is and fire safety is treated as a central responsibility of this gathering.

For this reason any source of flame or heat is prohibited on site. Candles, campfires, BBQs, gas stoves and similar items are NOT PERMITTED. This requirement is set by the CFA and failure to comply may result in the removal of your entire campsite. Cigarette butts must be fully extinguished and disposed of responsibly.

If an Extreme or Code Red Fire Danger Rating is declared before or during the event the gathering may be postponed, cancelled or evacuated. Whilst uncommon, this reflects the seriousness of the conditions we are operating in.

In the event of an emergency there are primary assembly locations Info Tent and Front Gates as shown on the site map. If these areas cannot be used, secondary evacuation point is located on the oval. In some circumstances remaining in these areas may be safer than attempting to leave the site by vehicle.

All patrons must follow directions from festival staff and security during an emergency. Instructions are issued in coordination with the CFA police and emergency services through the Emergency Management Team. Remain calm and DO NOT DRIVE if impaired or if instructed not to.

FESTIVAL CONDITIONS

Tow Away Zone

Vehicles must not be parked on internal roads or in any location that reduces road width below six metres. Clear access is required at all times for emergency and service vehicles.

Cars left in tow away zones on public roads surrounding the festival site may also be removed. Vehicles that obstruct access or breach parking restrictions may be towed without notice.

If you believe your vehicle has been towed, contact the Info Tent for further information.

TOWING AND RECOVERY MAY INCUR A SUBSTANTIAL FEE.

Campground & Carparks

- Follow festival staff instructions at all times.
- Do not park on roads.
- Camping is only permitted in designated areas. If you are unsure then don't camp there.
- Once you have set up, introduce yourself to your neighbours. We predict you'll get along famously.

Safety Advice

- **Familiarise yourself** with the EMERGENCY ASSEMBLY AREAS shown on the festival map, including the Main Stage and areas beyond the East and South Campgrounds. In any emergency, follow the directions of wardens and staff.
- **Stay hydrated throughout the weekend.** Free drinking water is available near all toilet and shower facilities.
- **Look after one another.** If someone appears unwell or needs support, step in or seek help.
- **Avoid moving around alone.** Let friends know where you are and never leave the site without telling someone.
- **Need a lift home?** Check the message board at the Info Tent for ride sharing options.
- **Be mindful of heat and sun exposure.** Sunburn and heat exhaustion can escalate quickly and impact your entire weekend.
- **Do not drive** while intoxicated or overly fatigued. Alcohol and drug testing is conducted in Victoria and may be in operation in the area after the event.
- **Treat art installations and décor with respect.** These works represent significant time and care and should not be damaged or removed.
- **Share generously.** Water, food space, and good energy all contribute to a better experience for everyone.
- **Pace yourself.** The gathering runs over several days so manage your energy and save something for Sunday. It's a marathon, not a sprint.

We Are Here To Help

- FIRST AID, HARM REDUCTION, the INFO TENT and the roving RANGERS are here for your physical and mental safety.
- Please REPORT ANY SUSPICIOUS ACTIVITY to security or the Info Tent .
- Read the Rainbow Spirit 10 Pillars of Festival Safety.

Time To Go Home

All patrons are required to leave the festival site by 2pm MONDAY. This is a condition set by the landowner and forms part of the council permit for the event.

Do not drive if you are intoxicated or fatigued. Drug and alcohol testing facilities will be operating at the front gate and you may remain there until 3PM on Monday if needed.

If you are unsure about your ability to drive, you can leave your vehicle in a designated area on site and return later in the week to collect it. For assistance or further details, visit the Info Tent.

Substances

Rainbow Spirit strongly advises not to bring illegal substances to the festival site - risks involved are serious and can have lasting consequences.

Victoria Police will be operating in the surrounding area with a focus on impaired driving and the detection of illicit substances. Anyone found in possession of or supplying illegal substances may face severe legal consequences.

Don't drive to or from the festival with drugs in your system

We support the work of Victoria Police in keeping impaired drivers off the roads. Driving under the influence of drugs or alcohol is dangerous and puts lives at risk. There is no excuse for this behaviour.

In Victoria roadside drug testing does not measure impairment. You may feel fine and still return a positive result. DO NOT DRIVE if you believe you may be impaired or if you could have detectable substances in your system.

Get tested before you leave the festival

If you are unsure about your ability to drive, you can register at the Info Tent to leave your vehicle on site at your own risk and take a shuttle bus to Southern Cross Station. Vehicles can be collected later in the week.

Drug checking services are available for a fee.

Saturday: **12:00pm - 6:00pm**
Sunday: **9:00am - 8:00pm**
Monday: **7:00am - 3:00pm**

Our priority is the safety of everyone at the gathering. Avoid unnecessary risks. Treat your body with care and look out for one another.

For further information visit the Blow Me First stall or the Info Tent.

BMF HQ

Rainbow Spirit: Gathering Light Is a Create No Waste Event.

Festivals can leave a heavy footprint on our planet. We have all seen the aftermath of festivals where usable items are abandoned and enormous volumes of waste are sent to landfill. After the 2019 event, more than fifty tonnes of waste left the site.

Much of this comes from cheap short lived products designed for convenience rather than longevity. Single use or low quality tents, chairs, gazebos, inflatables, canisters, confetti and glitter quickly become waste when they break or are left behind. These items are replaced again and again and the cycle continues.

CREATE NO WASTE is our response to this reality. The aim is to significantly reduce what is left on site after the event and to encourage more thoughtful choices before, during and after the gathering. This approach is not about perfection. It is about responsibility.

The ideas behind this are not new but they are necessary. For our community to continue we need to raise expectations around how we treat shared spaces. That responsibility extends beyond the dancefloors and campsites and into the way we live when we return home.

The impact of the gathering begins well before you arrive on site. The choices you make at home and in the shops directly shape what ends up on the land afterwards.

Choosing durable, well made gear over cheap short term alternatives makes a real difference. A tent that lasts for years can prevent multiple replacements from ending up in landfill over the same period. The same applies to furniture, shelters and camping equipment.

Every purchasing decision is an opportunity to reduce waste, conserve resources and support quality over convenience. SMALL CHOICES ADD UP.

If you haven't already, considerplanning your next festival expedition with these tips in mind:

Prepare for Rainbow year round. Don't buy things at the last minute, search them out and stash them away.

Think carefully about how you plan to set up and relax in the campground. A swag is a simple reliable option and perfect for sleeping under the stars. If you prefer a larger setup, consider investing in a canvas tent. Canvas tents are durable, repairable, and far less likely to be abandoned. CHOOSE GEAR THAT LASTS.

Make your camp comfortable by choosing seating that is built to last. A well made chair will support you all weekend and beyond rather than ending up broken or discarded. Think about the value of having a proper place to sit each day and invest in something that will serve you for years.

Consider the wider environmental impact of what you bring and what you discard. Avoid falling into a cycle of short term consumption that creates LONG TERM WASTE

Buy a **durable water container** and refill it with the clean water available at the festival.

BYO cup and carabiner. Sip it, dip it and clip it.

When you shop for food, **be realistic about how much perishable food you will consume.** If you have too much, SHARE some!

INFO TENT / MERCHANDISE AND MARKETS

Info Tent

The info tent is located near the entrance to the main market and The Homestead stage.

Open Hours:
Fri - Sun: 8am - 12am
Monday: 8am - 2pm

Shower tokens will be available here, for $5 each. Showers are open from 8am to 2pm each day of the festival.

Ear plugs are available here for free.

The **general store** will have a selection of essentials for sale including basic toiletries, tent pegs etc.

While there, check out the range of **Rainbow merchandise** for sale, including hoodies, tshirts, tank tops, hats, books and stubbie holders.

Markets

For this event we will have a wide variety of market stalls covering a wide variety of food, drink, jewellery, clothing and crafts spread over 2 areas.
